

TEXAS EMS ALLIANCE: THE NATION'S LEADING EMS TRADE ASSOCIATION

A STAKEHOLDER VOICE FOR TEXAS EMS AGENCIES

Thanks to TEMSA, Texas EMS agencies now have one of the most prominent health care advocacy bodies in Austin. In six short years, TEMSA has produced critical advocacy victories for Texas EMS agencies and their communities.

EDUCATION & NETWORKING

EMS EVOLUTION is now one of the largest conferences for EMS leaders in the Southwest. In addition, TEMSA provides regular webinars and other educational events for TEMSA members.

INDUSTRY INTELLIGENCE

TEMSA members receive regular updates that contain information about the industry that often cannot be found elsewhere.

THE UNIFIED VOICE OF TEXAS EMS AGENCIES

\$21.7M

EMS Education & Recruitment

TEMSA worked with lawmakers in the 2021 Legislature to create a \$21.7 million EMS education and recruitment initiative to address personnel shortages.

PROTECTED EMS Payments

TEMSA defeated a harmful non-binding mediation proposal for EMS payments in the 2021 Legislature.

SAVED

Medicaid Payments

The state proposed to reduce EMS payments by at least 30 percent in 2017, and TEMSA led the efforts to restore the stop the proposed cuts.

FIREARMS ON DUTY

The EMS Stakeholder Voice

Lawmakers reached out to TEMSA in the 2021 Legislature to ensure that EMS agencies will have control over internal policies related to EMS personnel carrying firearms while on duty.

STAKEHOLDER VOICE

A Powerful Voice

Thanks to TEMSA, Texas EMS agencies now have one of the strongest health care stakeholder voices in Austin.

ET3

Created the Innovative Program

TEMSA worked with state lawmakers in 2021 to create the state's own ET3 program.

JOIN OTHER TEXAS EMS AGENCIES TO ENSURE A STRONG VOICE

Texas EMS agencies across the state renew their TEMSA dues every year to ensure that Texas EMS agencies have one of the strongest health care stakeholder voices in Austin.
